

Low Poly 3D Icons - Pack

Overview:

Thank you for purchasing the **Low Poly 3D Icons – Pack**.

This pack contains a large collection of low poly 3D icons designed for use in games, applications, dashboards, and software UI. The icons are built to be lightweight, visually consistent, and easy to integrate into both real-time and static projects.

The pack is suitable for personal, commercial, indie, and studio-level projects.

Key Features:

- **1,085 Unique 3D Icons** - Covers a wide range of real UI use cases
 - **Drag & Drop Prefabs** - Drop straight into your Unity projects
 - **Optimized Performance** - Clean topology, efficient triangle counts
 - **Stylized Low Poly Look** - Consistent, readable, and UI-friendly
 - **3D Assets ONLY** - No UI images included
-
